Date Submission:

Project Details

Provide a description of the project, including details such as:

- how the project will meet community needs;
- details of any additional funding or prior funding and from who the project has received;
- how the requested funding will be used;
- will the project deliver social, cultural, economic or environmental benefits to local communities;
- does the project address an identified community priority;
- how will project strengthen CTWF's presence in the community;
- Is the project run by groups/organisations with suitable governance structures in place;
- Ensure the project does not have a detrimental or negative impact on other community facilities and services;
- demonstrate that any ongoing or recurrent costs of the project can be met by the community group once grant funding has been expensed;
- the applicant has capacity to manage funds and deliver the project; and
- how Cherry Tree Wind Farm will be acknowledged for its funding.

Please attach additional information to the application if desired.

Please ensure all applications and projects meet with the requirements and comply with the CBF Guidelines.

Please list all additional supporting information provided (if none state "none"):
