INFIGEN ENERGY SUCCESSFULLY COMPLETES ENTITLEMENT OFFER

Infigen Energy (**Infigen**) is pleased to announce the successful completion of the retail component of its 1 for 4.6 pro-rata accelerated non-renounceable entitlement offer (**Retail Entitlement Offer**).

Completion of the Retail Entitlement Offer represents the final stage of Infigen's \$151 million fully underwritten capital raising announced on 3 April 2017 (**Entitlement Offer**).

Under the Retail Entitlement Offer, Infigen received valid applications from eligible retail security holders for approximately 44 million new Infigen stapled securities (**New Stapled Securities**), equating to approximately \$39 million at the offer price of \$0.89 per New Stapled Security. The Retail Entitlement Offer was strongly supported by existing retail security holders who took up approximately 74% of their entitlements.

Approximately 15 million New Stapled Securities were not taken up under the Retail Entitlement Offer, and have been allocated to institutional investors pursuant to the underwriting and sub-underwriting arrangements.

Together with existing cash reserves, the proceeds from the Entitlement Offer will be used to implement Infigen's business strategy including developing wind and solar opportunities.

Infigen's largest security holders, TCI Security Holders¹, received an allocation of approximately 4.5 million New Stapled Securities as a sub-underwriter, representing 0.47% of Infigen's total post-Entitlement Offer issued capital, in addition to its entitlement as a security holder.

New Stapled Securities issued under the Retail Entitlement Offer will rank equally with existing Infigen stapled securities. Eligible retail security holders who applied for New Stapled Securities before the early retail acceptance closing date had their New Stapled Securities allotted on Wednesday, 19 April 2017. The remaining New Stapled Securities to be issued under the Retail Entitlement Offer (**Final Allotment**) are expected to be allotted on Thursday, 4 May 2017 and trading of those New Stapled Securities will commence on a normal settlement basis on the Australian Securities Exchange (ASX) on Friday, 5 May 2017.

Final allocations under the Final Allotment are subject to reconciliation and audit processes currently being conducted by Infigen's share registry. Confirmations of New Stapled Securities issued under the Final Allotment are expected to be despatched on Monday, 8 May 2017.
